

# Imagining the **Elephant & Castle**

## **Visioning Event**

**SATURDAY  
JUNE 4th**

**Crossway  
100 New Kent Rd  
SE1**

*from 10.30 am till 4 pm*

ALL WELCOME

What do you  
imagine for your area?

Housing, Shops, Open  
Spaces, Transport.  
Trees - who is listening  
to what you want?

Will the regeneration  
benefit local people?

**The Elephant Amenity Network**  
is a coalition of local people active  
in The Elephant area around issues  
of housing, open spaces, accountable  
local planning and public services.

The developer (Lend Lease) will soon be  
releasing its Masterplan for the area, so  
we are organising a "Visioning Event" to  
ask questions about the regeneration and  
to imagine together what could be done!
