

Elephant & Castle Neighbourhood Plan Conference

Sat Sept 28th 2013

10:30am to 4pm

An invitation

This gathering will be the first time we, local residents and businesses, come together and it will be an opportunity to share ideas for our Neighbourhood plan, agree on projects, and decide on how we will work together to make it happen.

What will the conference involve?

- I We will be revisiting the work that has already been done over the past year and the policy framework for starting up a Neighbourhood Forum.**
- I We will present our boundary and constitution in preparation for our submission to Southwark Council. This should result in us being recognised officially before the end of this year.**
- I We will also be deciding how we make decisions and how we can develop working groups to tackle issues which concern us: Green Space, Local Businesses, Heritage, Community Assets, Facilities for Walking and for Cycling, Housing, and “Meanwhile”/Temporary Uses for development land.**

We are looking for active members who can contribute to the running of the Neighbourhood Forum. Please invite others in the community, your TRA or local community organisations. The Neighbourhood Forum is also a space for us to learn about what each group or area is doing, so do please bring leaflets or details of your own interests and activities.

Where is the conference?

Falmouth Road, SE1 6RQ.**
